LB 32

what's the solution if not a fee such as this? I am aware that the city of Lincoln just last week passed a bond issue that does deal with storm water issues, so that there are other alternatives out there that were not, I guess, taken into consideration in LB 32. So there are a number of groups out there. There are a number of people that are opposed to this bill. I do support the bracket motion. However, I just wanted to make sure that everybody was aware that there are some pretty serious legal, constitutional, and other just practical problems with LB 32. Thanks.

SENATOR CUDABACK: Thank you, Senator Quandahl. Senator Beutler, on your bracket motion. Senator Beutler?

SENATOR BEUTLER: Is this to close?

SENATOR CUDABACK: Your light was on. Now it's off.

SENATOR BEUTLER: I would waive at this point.

SENATOR CUDABACK: Okay. Senator Beutler, do you...you did not want to close then, right?

SENATOR BEUTLER: (Microphone malfunction)...closing?

SENATOR CUDABACK: You may...there are no lights on, so you can close if you wish to.

SENATOR BEUTLER: Okay.

SENATOR CUDABACK: On your bracket motion...

SENATOR BEUTLER: I'll waive closing too.

SENATOR CUDABACK: The question before the body is, shall LB 32 be bracketed until 1-1-04? All in favor of the motion vote aye, opposed nay. The motion before is the bracket motion, LB 32. All in...have you all voted who care to? Record please, Mr. Clerk.

CLERK: 35 ayes, 0 nays, Mr. President, to bracket the bill.
